10 ZUNUM AERO, INC.,

11 Plaintiff,

12 v.

13 THE BOEING COMPANY, et al.,

14 Defendants.

CASE NO. C21-0896JLR

MINUTE ORDER

15 The following minute order is made by the direction of the court, the Honorable
16 James L. Robart:

17 The court's September 23, 2021 scheduling order sets forth a number of deadlines
18 related to the December 16, 2022 *Markman* hearing in this matter. (*See* 9/23/21 Order
19 (Dkt. # 42) (setting the *Markman* hearing and related dates); 5/6/22 Dkt. Entry
20 (rescheduling the *Markman* hearing for December 16, 2022).) Although the court
21 ordered the parties to file a joint claim chart and prehearing statement by October 12,
22 2022 (9/23/21 Order at 1), the parties failed to do so (*see generally* Dkt.).

1 In their motion to withdraw, Plaintiff Zunum Aero, Inc.’s (“Zunum”) previous
2 counsel, Shlansky Law Group, LLP and Williams, Kastner & Gibbs PLLC, informed the
3 court that the parties “agreed that the patent-related deadlines leading up to and including
4 a *Markman* hearing in this case are inapplicable.” (Mot. to Withdraw (Dkt. # 64) at 6.)
5 Although Zunum’s previous counsel represented that Defendants The Boeing Company
6 and HorizonX Ventures, LLC (collectively, “Defendants”) would file a stipulated motion
7 to “vacate those deadlines” (*id.*), Defendants have not, as of the date of this order, filed
8 such a motion (*see generally* Dkt.).

9 In light of the statement of Zunum’s previous counsel and the parties’ failure to
10 comply with this court’s *Markman* hearing-related deadlines, the court STRIKES the date
11 assigned for the *Markman* hearing in this matter and all other *Markman* hearing-related
12 deadlines set forth in the court’s September 23, 2021 scheduling order (Dkt. # 42).

13 Filed and entered this 14th day of October, 2022.
